*The Vision of His Glory –
Finding Hope through the
Revelation of Jesus Christ*
A study with Anne Graham
Lotz

“ Is the Book of Revelation
confusing to you?
Although printed in black
and white, translated into
English, using everyday
nouns, verbs and

acceptable sentence
structure, do you
sometimes read it, thinking
it must be written in some
form of cryptic code? *The
Vision of His Glory* will help
you break the “code”, so
that rather than be
confusing, the Book of
Revelation will help you
clearly communicate with
the Lord whom the book
reveals.” Anne Graham
Lotz
